

# CP GEOMETRY

“First Look” Accelerated Summer Course

## ABOUT THE COURSE:

This CP Geometry Course will cover 10 units over the course of 4 weeks (20 days). There will be **two** cumulative finals: one after the first ten days, and one on the last day of the course.

- This course covers all Geometry topics in a regular school year, which is why it is critical to attend all days.

Students must complete all 20 days to earn a full year of credit. Students cannot have more than **ONE** absence.

## CLASS SCHEDULE:

This is an **all day** Geometry class. The course begins on \*June 2<sup>nd</sup> and ends on June 30<sup>th</sup>.

**Hours:** 8:30am to 3:30pm  
Lunch break will be at 11:30am-12:30pm

**Location:** Enochs High School  
N152 for first ten days  
N150 for last ten days

\*No class on June 19<sup>th</sup> due to Holiday

## PERSONAL READINESS:

Before you consider taking this course, ask yourself:

- Am I disciplined and prepared for an accelerated course?
- Do I take initiative to seek help and practice consistently?
- Am I motivated and determined to be consistent with my work?

## WHAT COMES NEXT?

If you are successful in passing the course, you will then advance to Algebra 2 next school year. If you do attempt taking the summer course and do not pass, you will take Geometry again during the next school year.

## QUESTIONS? COMMENTS? CONCERNS?

- Consider taking this course to get ahead! If you think this course may be for you please reach out to Ms. Gill (N150) or Ms. Arreola (N152).
